

# Introducing the BioLite Biodrier

The new ultra high-speed hand dryer just got **greener** & brighter

"Check out that blue light!"

The BioLite chrome model BJ09C

## Biodrier BioLite

Elegant, hygienic and cost effective, the Biodrier BioLite is a faster, healthier way to dry your hands

## Better for the environment

The Biodrier BioLite keeps energy use to a minimum. With a switchable element and its unique high brightness blue LED light, BioLite ensures maximum efficiency.

## Safer for users

Using 90% less energy than conventional dryers this revolutionary concept puts hand dryers firmly on the agenda with its green credentials. It's vital statistics make it an obvious choice for facilities and purchasing managers looking for a cost-effective long term solution.
